### Take a Survey!

Pick a subject and take a survey of your family or friends. For example:

**SPORTS:** Between football, basketball, hockey, baseball, and tennis, which is the most popular sport in your family? The least popular.

**ICE CREAM:** Between vanilla, chocolate, strawberry, bubble gum, and mint, which is the most preferred ice cream flavor in your group of friends., or your entire school? The least preferred?

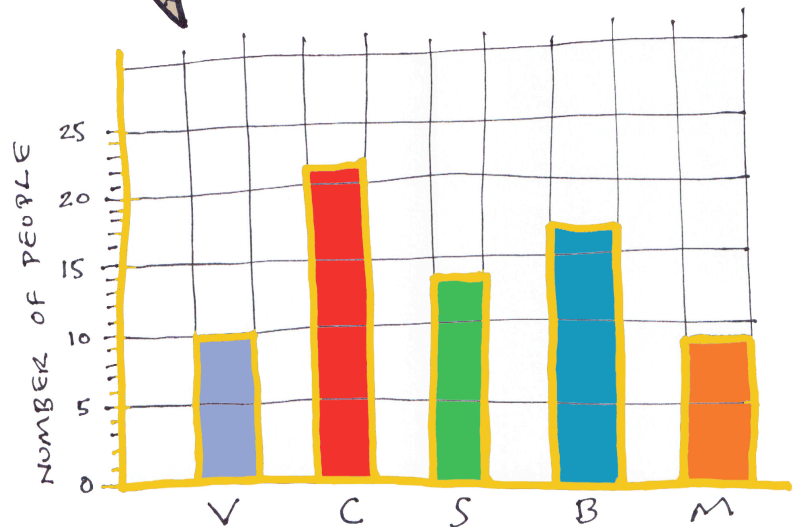

Keep track of your numbers using tally marks.

Or, compare results over a period of time.

**POINTS:** How many points did your school team get in each of the first five games of the season? Did the trend go up or down over time?

### ICE CREAM PREFERENCES

ICE CREAM FLAVORS

V = Vanilla

C = Chocolate

S = Strawberry

B = Bubble Gum

M = Mint
